# COMMUNITY CHRISTIAN SCHOOL

## Middle School

This is an essential question for twenty-first century parents. For many CCS parents, the answer to this question is straightforward—they want their children

to have well-trained minds, equipped to make disciples for Jesus Christ. They understand that living our lives and making disciples are not mutually exclusive.

The CCS faculty and staff are committed to preparing students to answer Jesus' call:

whenever it comes, wherever it leads, and whatever the cost. This has resulted in a program of studies that has a strong emphasis on spiritual formation, academic excellence, and character development. These are evidenced not only in our curriculum, but in our co-curricular programs, arts program, sports program, and community service-learning opportunities.

At CCS, we firmly believe in the Spirit-empowered witness of a well-trained mind. For additional enrollment information or to apply online, please visit our website [www.ccs-chargers.org](http://www.ccs-chargers.org).

“Yet this I call to mind and therefore I have hope:  
Because of the Lord's great love we are not  
consumed, for his compassions never fail. They  
are new every morning; great is your faithfulness.  
I say to myself, “The Lord is my portion;  
therefore I will wait for Him.”
